JEWELLERY TRADERS  
AND EXPORTERS  
ASSOCIATION

Mr. Malik Amjed Zubair Tiwana,  
Chairman FBR/Secretary Revenue Division,  
Federal Board of Revenue  
Islamabad.

24<sup>th</sup> February 2024

**As Salam o Alaikum,**

This urgent communication pertains to the abrupt removal of SRO760 from the system by the FBR.

It's important to highlight that SRO760 facilitates various exemptions, notably the exemption of sales tax. However, its removal from the WBOC system has led to the incorrect display of sales tax as payable, which is not relevant to this trade.

Furthermore, there was neither prior notification nor any explanation provided for the removal of SRO760 from the system. Consequently, all exports of gold jewelry have been halted, causing significant chaos and distress among exporters.

You are urgently requested to fix this error and notify us at the earliest so that exporters can continue with their exports. Please also note that numerous exporters have advance gold under SRO760 Entrustment scheme held at the airport awaiting clearance by customs. There is a concern that these export orders may get canceled, leading to significant losses of foreign exchange if immediate action is not taken.

You are kindly requested to take immediate action by adding SRO760 to WBOC system.

Sincerely,

**Habib ur Rehman**
